

PEOPLE OF THE YEAR

Power Finance & Risk
Individual of the Year 2021
Submission Form

Purpose:

The **Power Finance & Risk** editorial team will use the information provided in this form in conjunction with research interviews with market participants to determine the winner in each Individual of the Year category.

Eligibility:

This submission form can be used to nominate bankers, attorneys and finance officials at project developers and sponsors, including private equity sponsors, that were active in the financing or sale of renewable energy and power assets in the US and Canada between January 1, 2021, and December 31, 2021.

Renewable energy and power means: **Power generation, renewable energy, electric transmission, energy storage.**

If you have any questions about eligibility, please contact the editor at Taryana.odayar@powerfinancerisk.com.

Please send completed forms to the editor at Taryana.odayar@powerfinancerisk.com.

Deadline: End of the day, Monday, February 21, 2022.
